

Kids in Motion

Creative Movement for Preschoolers ages 3-5
Fridays 9:30 – 10:15
at the Starkville Martial Arts Academy
106 S. Lafayette St., Downtown Starkville

Kids in Motion is a joyful exploration of movement.

The class helps to develop physical skills, channel energy, stimulate imagination, and promote creativity. It provides children with opportunities for noncompetitive, success-oriented experiences. This program features moving to music and incorporates rhyme, games, storytelling, instrument playing, and props. Children who participate will develop their balance, coordination, directionality, sense of rhythm, perception, and memory.

\$10/Class (Free introductory class with no obligation.)

For information or to reserve a space, call Lynn Peterson at 312-1052.
